## I. INTRODUCTION

Concote Corporation (“Concote”) has developed specific policies concerning its employees. These policies apply to all employees of Concote, its corporate subsidiaries, divisions and affiliates.

These policies are designed to create a productive, efficient and stable work environment for everyone employed at Concote. We hope that by carefully reading these policies, you will know what we expect from you and what you may expect from us.

If you have any questions or comments regarding any of the policies in this Employment Manual, please consult your supervisor, the Human Resources Department or any member of Management.

## II. BACKGROUND AND HISTORY

Concote is the holding company that is registered to do business in Texas. It handles all of the corporate functions from issuing paychecks, invoicing customers, paying vendors and reporting to government agencies. It does business under its two Corporate Divisions, Spectape of Texas and Insul-Fab.

### Spectape of Texas

Concote was originally formed in 1967 by Robert (“Bob”) Ricketts. It started out as a distributor of pressure sensitive tapes and adhesives mostly for the packaging and manufacturing industries. It also made labels and converted tapes. Concote was granted a right to distribute tapes for a tape converter out of Cincinnati, Ohio, named Spectape. Thus, Concote became its own regional distributor known under the trade name “Spectape of Texas,” and it distributed pressure sensitive adhesive tapes and packaging supplies. Bob Ricketts then brought in a business partner named Robert “Bob” Hanton, who is still involved in the business today.

## Insul-Fab

In 1987, Concote Corporation acquired a company located in North Texas called Insul-Fab. The name “Insul-Fab” stood for “Insulation Fabrication,” which is precisely what Insul-Fab did. Insul-Fab was, and still is, a fabricator of foam and fiberglass. Through die-cutting, water-jet cutting, slitting, adhesive laminating, and other fabrication methods, Insul-Fab fabricates or converts large rolls and sheets of raw materials into foam tapes, gaskets, electronic shields, and a number of other unique, custom parts for Original Equipment Manufacturers (“OEM”) around the world.

Today, Concote is owned by a new group which includes, among others, Bob Hanton, Shelby Ricketts, Andy Webb, John Frederiksen and Barry Taylor

(Pictured left to right): John Frederiksen, Barry Taylor, Shelby Ricketts and Andy Webb

Concote has three facilities: (1) its corporate headquarters and plant in Coppell, Texas, (2) its East Texas Plant in Tyler, Texas and (3) its Mexico facility in Monterrey, Mexico. Between the three plants, Concote employs approximately 130 employees and maintains 250,000 square feet of manufacturing space.

## Mission, Vision and Philosophy

Concote also utilizes technology, planning and quality and other industry standards in an effort to grow and be a leading global fabricator. To that end, Concote maintains three very important statements about its purpose, its vision and its commitment to quality. ### III. ATTENDANCE POLICY

A. General Attendance Policy. Concote requires that all of its employees attend work each and every day pursuant to the work schedule furnished by his or her supervisor or manager. Each employee shall arrive at work on time and shall not leave before the end of his or her shift, unless the employee obtains the approval of his or her supervisor.

- a. If an employee cannot attend work, it is the employee's responsibility to make sure that it is based upon one of the four (4) exceptions to the General Attendance Policy, which are as follows (see also "B", below, for more detail):
  - i. Holidays/Business Closure (i.e. weather)
  - ii. Vacation
  - iii. Personal Time Off (PTO)
  - iv. Leave of Absence: (Death of immediate family member, jury, military, maternity, Family Medical Leave Act, or :other")
- b. No "Sick" Days – there are no "sick" days available:
  - i. PTO may be used for illness of employee, child, etc.
  - ii. In the event that the employee is ill, seeks medical treatment and is medically authorized not to come to work, Concote may, in its discretion, not debit the employee's PTO/Vacation days and still pay the employee and deem the absence excused
- c. Notification Process
  - i. The notification process may differ slightly for employees paid by the week (hourly employees) and employees paid semi-monthly (salaried employees). The main reason for this is due to how time is recorded and transmitted to the HR Department and how it is entered into the payroll system.
  - ii. Notification procedures are outlined below in paragraph "B" and also noted in the form of a Flow Chart/Decision Tree below.
- d. Effect of Violation of Attendance Policy
  - i. Excused/Unexcused Absences – unexcused absences may affect the employees compensation, may result in a warning or termination
  - ii. Paid/Unpaid – failure to follow procedures may result in employee not being paid for the absence
  - iii. Termination – failure to follow procedures shall be deemed a violation of the company's attendance policy resulting in termination

B. Exceptions to the General Attendance Policy. There are four (4) categories of exceptions to the Attendance Policy: (1) Holidays, (2) Vacation (3) Personal Time Off (PTO) and (4) Leaves of Absence.

1. Holidays/Business Closure:
  - a. Holidays: Refer to section XXI

b. Business Closure: Announcement shall be made via company website, www.concote.com

2. Vacation.

a. Amount.

<u>Calendar Year</u>	<u>Amount of Vacation</u>
First Partial Year	See "Accrual", below
Calendar Year 1	See "Accrual", below
<b>Calendar year 2 through 10</b>	2 weeks (80 hours)
<b>Calendar year 11 +</b>	3 weeks (120 Hours)

A "Calendar Year" is January 1 through December 31. Calendar Year 1 is the first full Calendar Year worked by the employee.

b. Accrual. Each employee that has not reached Calendar Year 2 shall accrue vacation weekly in accordance with the vacation schedule above.

<u>Calendar Year</u>	<u>Amount of Vacation</u>
First Partial Year	.77 hours/week
<b>Calendar Year 1</b>	.77 hours/week

Employees shall not be permitted to be paid for vacation or take vacation until it is accrued through at least half of the year.

c. Payout on unused vacation. For employees that have worked Calendar Years 2-10 and are entitled to 2 weeks vacation, 1 week of vacation shall accrue as of January 1 and the remaining week shall accrue as of July 1. Therefore, by way of example, an employee that terminates employment on March 1 is entitled to be paid up to 1 week on unused vacation. An employee that terminates on September 1 is entitled to up to 2 weeks of unused vacation.

d. Scheduling. All requests for vacation shall be submitted to the employee's supervisor, who shall have the sole discretion to approve or disapprove of the scheduling of the vacation.

3. Personal Time Off (PTO). During the first full Calendar Year and each subsequent year, all employees will be eligible for three (3) paid Personal Time Off (PTO) days, which may be taken in no less than half-day increments. PTO days do not carry over into subsequent years.

- a. Use. Personal time does not need written justification for its use but is intended for absences such as (i) employee illness or illness of a family member (including children, that requires employee's care), (ii) appointments, home service calls or early school release, (iii) death of a non-immediate family member.
  - b. Notification and Scheduling. Regardless of the type of day off taken (PTO, Vacation or other), the employee must directly notify Human Resources (Donna Ellis, Misty Jacobs) and Accounting (Brandon Kicklighter) of the employee's intention to take either a PTO or a Vacation day. If advance notice of the use of PTO/Vacation is possible, it is expected that the employee clear it with his or her supervisor in advance; if not, then the employee should first and foremost let Human Resources and Accounting know and they will notify the supervisor.
    - a. Email Notification. Email notification is preferable where practical. If email is used, the employee should must directly notify Human Resources (Donna Ellis, Misty Jacobs) and Accounting (Brandon Kicklighter) carbon copy ("cc") his or her supervisor as well.
4. Leaves of Absence. Concote shall grant a leave of absence to an employee for the following reasons:
- a. Death of an immediate family member. Concote shall grant the employee leave for three (3) days, with pay, for the death of a spouse, parent, grandparent, child or sibling of an employee. Additional leave for the death of an immediate family member will be considered by Concote on a case-by-case basis.
  - b. Jury Duty. In order to qualify for paid leave for this reason, the employee must (i) show the jury summons to his or her supervisor and (ii) check in with his or her supervisor on a daily basis, before his or her shift, to inform the supervisor of the trial scheduling (unless the employee and supervisor agree to less frequent updates).
  - c. Military Leave. Any employee called to active duty with a branch of the United States Armed Forces is entitled to a leave of absence during the term of such active duty without pay.
  - d. Maternity Leave. Concote shall grant up to six (6) weeks to a mother for the birth of a child, including four (4) weeks of leave with pay and two (2) weeks of leave without pay. In order to qualify for this leave, the employee must have been with Concote for ten (10) consecutive months.

e. Medical Leave. The Family Medical Leave Act (“FMLA”) is a federal law that provides for particular types of medical leave for employees who have been with Concote for more than one (1) year. An employee with more than twelve (12) months of continuous service and at least 1250 hours of service during the previous twelve (12) month period may take up to twelve (12) weeks of unpaid leave per year to care for themselves, if they are ill, to care for a seriously ill family member or for the birth, adoption, or foster care placement of a child. Concote’s own policies for leaves of absence shall be applied toward the twelve (12) weeks provided under the FMLA.

(i) A leave of absence under the FMLA may be taken for the following purposes:

- (a) The birth of a child;
- (b) The adoption or foster care placement of a child;
- (c) to care for a child with a serious health condition;
- (d) to care for a parent or spouse with a serious health condition;
- (e) for the employee’s serious health condition which renders the employee unable to perform the functions of his or her position;
- (f) “Any qualifying exigency” arising out of the fact that the spouse, son, daughter or parent of the employee is on active duty or has been called to active duty status. An eligible employee who is the spouse, son, daughter, parent or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 months of leave in a single 12 month period to care for the service member.

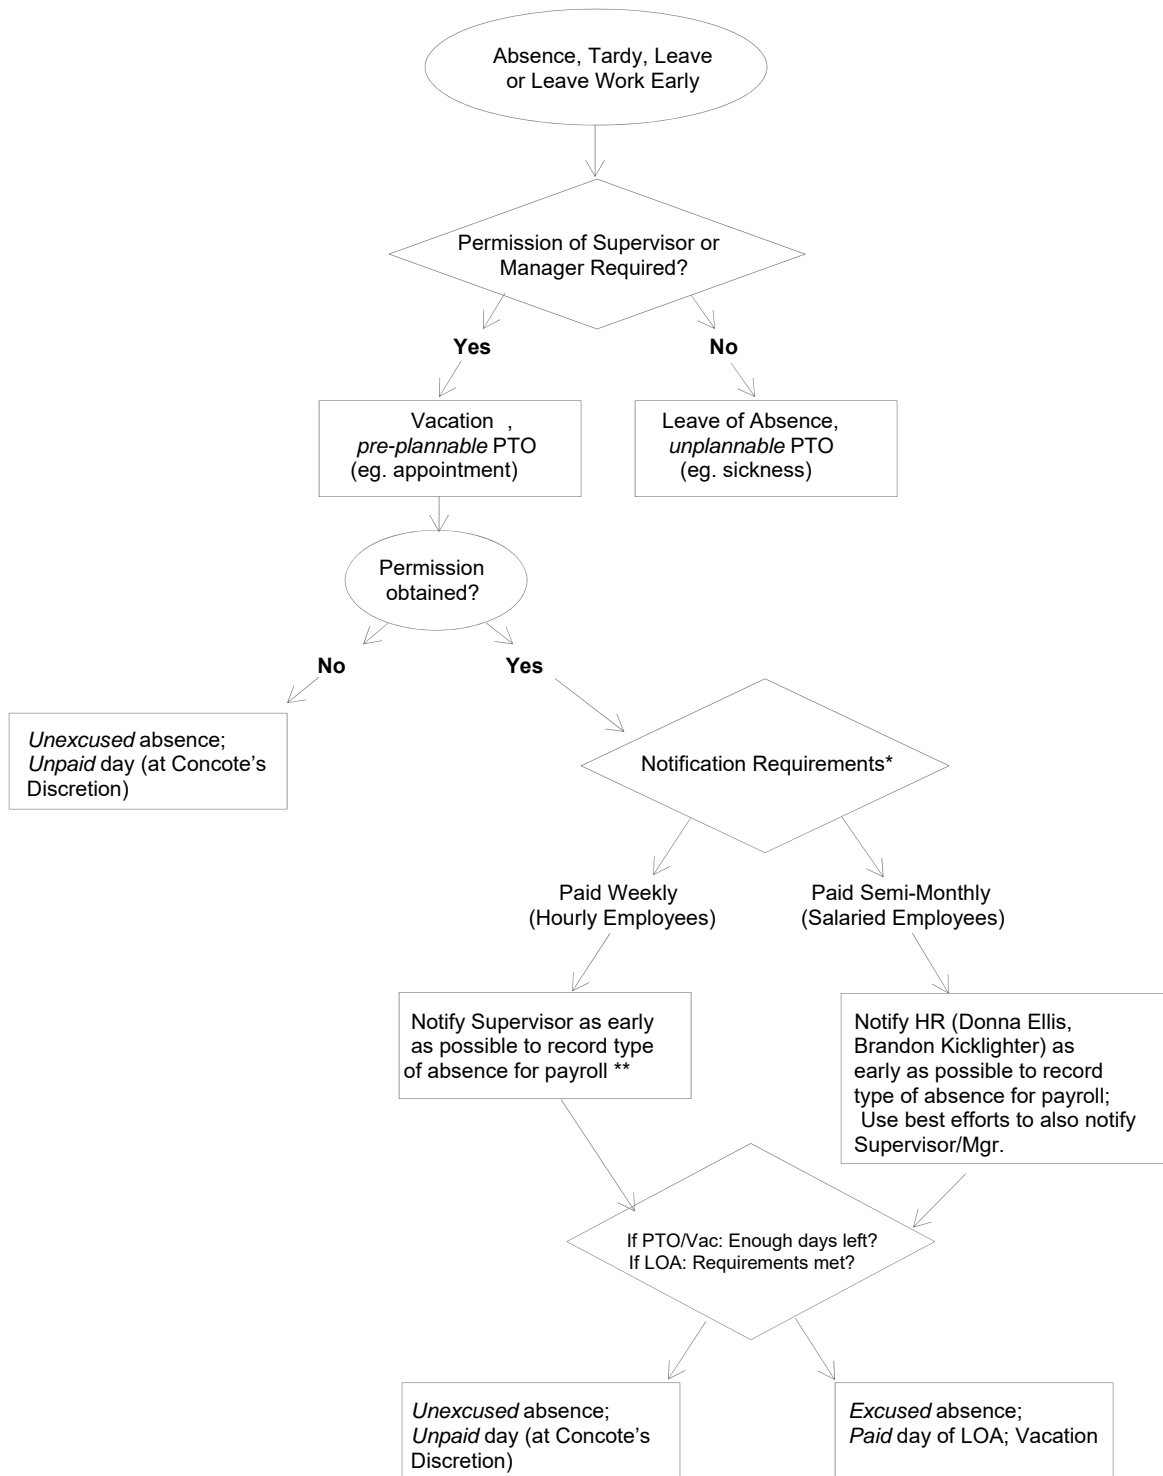

(ii) In cases involving leave for a serious health condition, Concote may require that the employee provide medical certification and may require that the employee obtain a second medical opinion at Concote’s expense.

(iii) Employees may be required to use any unused personal leave or vacation time before they are entitled to leave under this section. **An employee planning to take leave under this section for the birth, adoption, foster care placement of a child must notify Concote (through his or her supervisor) of his or her intentions at least thirty (30) days in advance or as soon as practical.** An employee requesting leave for

planned, scheduled medical treatment must attempt to schedule that treatment so as to minimize interruption in his or her employment. If an employee fails to return to work immediately after an approved leave, Concote will consider this as a resignation by the employee without notice.

- f. Other Leave. Concote will consider an individual's request for a leave of absence based upon grounds other than those listed above on a case-by-case basis. In reviewing such requests, Concote may take into consideration the individual circumstances of the request, the necessity of the employee's continuous service and any other circumstance forming the basis for the request.

C. Absence, Tardy, Leave Work Early Flow Chart / Decision Tree:

\* Requirements differ for type of employee due to payroll system  
 \*\* If prior permission obtained, no need for this notification

#### IV. DRUG AND ALCOHOL POLICY

Drugs and alcohol in the workplace are a danger to us all. They impair safety and health, lower productivity and quality and undermine public confidence in the work we do. Every location at which Concote conducts business is declared to be a drug and alcohol-free environment. **Any employee failing to strictly adhere to Concote's drug and alcohol policy is subject to discipline, up to and including termination, for the first offense.**

- A. Drug Policy. All employees are absolutely prohibited from unlawfully manufacturing, distributing, possessing, using or being under the influence of drugs in or outside of the workplace. The term "drug" includes prescription drugs, as well as all other controlled substances, drugs or narcotics which are considered unlawful to manufacture, distribute, dispense, possess or use pursuant to any federal, state or local law. Prescription drugs, when taken as directed by the employee's doctor, are excluded, although anyone using prescription drugs that may impair judgment or performance should notify a supervisor. The following is a partial list of controlled substances that are included in the definition of "drugs":
1. Narcotics (heroin, morphine, etc.); Cannabis (marijuana, hashish); stimulants (cocaine, diet pills, etc.); depressants (tranquilizers); hallucinogens (PCP, LSD, "designer drugs", etc.).
- B. Alcohol Policy. Being under the influence of alcohol during work hours is absolutely prohibited. Consumption of alcohol on company premises at any time (during or outside of work hours) is strictly prohibited. Being at work at anytime under the impairment of alcohol is also strictly prohibited (for instance, drinking in the hours before coming to work in a fashion that would impair the employee at work). Exceptions to this rule may be the use of alcohol at company-sponsored functions. However, an employee who chooses to drink at such functions is expected to do so responsibly.
- C. Drug Testing Policy. Concote has initiated a substance abuse screening test program for applicants and employees to assist in the implementation of its anti-drug policy. This program will be a condition of employment and will be a routine part of the application process and the employment process after hire. Applicants must consent to drug testing as a condition of their employment. Refusal to participate in the program will be grounds for termination for employees or grounds for denial of employment for applicants.
- D. Testing Procedures. Concote reserves the right to rely on urine samples, blood samples, hair samples, breath samples or any other generally-accepted methods for the detection of drugs or alcohol. All random testing will be conducted by a laboratory or medical center designated by Concote. Any employee who is asked to submit to a blood test can refuse. However, a refusal to provide any requested urine, blood, hair or breath specimen will constitute a presumption of violation of Concote's anti-drug policy and the employee shall be subject to disciplinary action, up to and including, immediate termination. In the case of a "positive" test result, the testing lab will inform Concote's management, which will in turn

inform the employee. A copy of the test results will be made available to the employee upon request, and Concote shall be entitled to keep a copy of the test results on file. Each employee, by signing this Policy Manual, gives the following release:

- E. Release. By signing the Policy Summary, each employee shall agree to the following release:

“I hereby acknowledge that I have read Concote’s Drug and Alcohol Policy and understand that a drug screening test will be administered by a doctor, medical center, hospital or medically qualified personnel selected by Concote, for the purposes of performing and administering such test. I consent to the taking of specimens for drug screening, hereby waive any claims of invasion of privacy or rights of privacy with respect to such test and authorize the release of the result of such test or tests to Concote. I understand that the results of the drug screening test will be considered in the employment decision to hire me and that a result indicating the use of illegal drugs or the misuse of legal drugs may result in Concote’s not hiring or employing me, and that Concote may terminate my employment if I am hired and subsequently fail a drug screening test.

I also consent, without further notice, to future drug screening tests during my employment as Concote may deem necessary, according to Concote’s policy and procedures for drug screening, including urinalysis and blood testing on the same terms and conditions set forth above. I understand that the result of such future tests, or the refusal to participate

in them, may be cause for the termination of my employment with Concote. I hereby release Concote, its shareholders, directors, officers, employees and agents, including any doctor, hospital or medical personnel from any and all liability arising from the administration of a drug screening test and from the release or use of any information contained in my medical exam and test results.”

## **V. BACKGROUND CHECKS**

- A. Conducting Background Checks. Concote may perform criminal background checks, obtain references from previous employers or other forms of background checks as a condition of your employment. In the event such background or reference check reveals an arrest or conviction of any criminal offense of any kind, in any jurisdiction, any act of employee theft, dishonesty or malfeasance, Concote reserves the right not to hire the Employee. Should an employee be hired and a background check reveal the subsequent commission of any criminal offense of any kind, in any jurisdiction, Concote reserves the right to terminate the Employee’s Service.
- B. Release. By signing the Policy Summary, each employee shall agree to the following release:

“I hereby acknowledge that I have read Concote’s Background Check Policy and understand that a background check may be performed on me at any time. I consent to the performance of a background check and

hereby waive any claims of invasion of privacy or rights of privacy with respect to such background check and expressly authorize such a check prior to or during my employment. I understand that the results of the background check will be considered in the employment decision to hire me and that Concote may terminate my employment if I am hired and a subsequent background check reveals the existence of an arrest or conviction of any criminal offense of any kind, in any jurisdiction, any act of employee theft, dishonesty or malfeasance.”

## VI. ANTI-HARASSMENT

- A. Anti Harassment Policy. Concote prohibits any and all forms of harassing behavior in the workplace and/or at Company-sponsored functions. This policy applies with equal force to supervisory and non-supervisory employees. Concote will appropriately discipline, up to and including termination, any person who violates this policy.
- B. What is Sexual Harassment? The Equal Employment Opportunity Commission (EEOC) defines sexual harassment in the following manner:
1. Unwelcome sexual advances, requests for sexual favors and other physical, verbal or visual conduct based on sex constitute sexual harassment when (1) submission to the conduct is an explicit or implicit term or condition of employment, (2) submission to or rejection of the conduct is used as a basis for an employment decision, or (3) the conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.
  2. Some examples of conduct prohibited by Concote's policy are:
    - Sexual, ethnic, racial or religious jokes or teasing
    - Verbal innuendoes, comments or offensive language
    - Having pornographic material at work
    - Unwelcome sexual advances, flirtations or proposals
    - Requests for sexual acts or favors
    - Physical or sexual threats or intimidation of any sort
    - Other verbal, visual or physical conduct of a harassing or offensive nature
- C. Reporting. In many instances, harassment evolves when action that are unprofessional or otherwise inappropriate for the workplace, but do not really rise to the level that would meet the EEOC's definition of harassment, are allowed to continue unchecked. For example, an isolated sexual or ethnic joke, or an isolated instance of unwelcome flirting or teasing, while offensive and certainly inappropriate and unprofessional, would not likely amount to harassment under the EEOC's definition. Often, the person engaging in such conduct is more insensitive than malicious. That is why Concote wants to provide its employees with the means to report or otherwise stop such inappropriate conduct in its tracks, limit its effects and reduce the chances that it will become more serious. Concote will support all reasonable efforts by an employee to discuss and work out problems of this sort peacefully directly with the offending party. If you do not

feel comfortable attempting to work it out directly with the person, or if you make such an effort unsuccessfully, please report the conduct promptly by using the Harassment Grievance Procedure described in this Policy Manual. Please do not hesitate to report conduct because of fear that you will “get someone in trouble.” Most complaints do not result in anyone “getting in trouble” but instead result in the person being educated about the offensiveness of his or her conduct. The point is that unprofessional, offensive, inappropriate conduct, if not dealt with, may become worse over time. Please help us and your co-employees by using the means that we provide to deal with it and eliminate it as early as possible. Concote is aware that it is always possible that an employee could engage in conduct more serious and immediately threatening than an occasional insensitive or unprofessional remark. Some examples could be inappropriate touching, malicious or derogatory racial terms, use of authority to attempt to coerce sexual favors or continued, less serious, inappropriate conduct after having been warned about it. Concote wants to be certain that its employees also have the means to report such conduct so that it can investigate it. Where a complaint involves a claim of serious misconduct and would require a serious discipline, Concote will conduct a fair and thorough investigation and will take any disciplinary or corrective action that it deems appropriate based on its findings. However, we cannot investigate conduct if we are not aware of it. So, please report any such conduct immediately by using the Harassment Grievance Procedure described in this Policy Manual.

D. Harassment Grievance Procedure. Concote’s Policy is to investigate promptly all complaints of discrimination, harassment, or other offensive conduct that is based on sex, race, age, disability, religion, color, national origin or other factors prohibited by law. Any employee who feels that he or she has experienced, witnessed or been accused of such conduct should report the incident immediately to one or more of the following personnel:

1. The employee’s supervisor;
2. Donna Ellis;
3. Bob Hanton; or
4. Shelby Ricketts

Alternatively, harassment or discrimination claims may be made in writing to the Dallas office by sending a certified letter marked “Personal and Confidential” to the following address:

Concote Corporation  
600 Freeport Parkway, Suite 150  
Attn: President

When reporting the incident, whether verbally or in writing, the following items should be included:

1. Date, time and location;
2. Circumstances;
3. Offending act;
4. Name of the charging party;
5. Name of the offending party;
6. Names of any witnesses.

Concote will not tolerate any sort of retaliation against an employee who files a complaint. All persons involved in the complaint or investigation must maintain strict confidentiality to the extent reasonably practical under the circumstances.

An employee who is found after appropriate investigation to have engaged in discrimination, harassment or other inappropriate conduct referred to Concote's Anti-Harassment Policy will be subject to appropriate disciplinary actions, up to and including termination.

## **VII. DISCIPLINARY POLICY**

A. The following conduct is deemed prohibited and may result in disciplinary action up to and including immediate termination:

1. Violation of any of the policies set forth in this Policy Manual
2. Falsification of Company records including Application for Employment
3. Insubordination or disobedience to any member of management
4. Assaulting, intimidating or threatening any member of management or other employee of Concote
5. Abusive or unreasonable conduct towards any customer, vendor, contractor or agent of Concote
6. Commission of a felony
7. Disclosure of confidential information about Concote without the express written consent of Concote
8. Careless or ineffective performance of duties
9. Violation of posted safety rules
10. Leaving assigned work area or areas without permission
11. Failure to follow orders of supervisors or management
12. Failure to perform work schedules
13. Malicious gossip or attacks on Concote or its employees
14. Excessive personal use of the telephone or internet
15. Carrying weapons or narcotics on any company premises
16. Theft of any kind

The above list is a non-exhaustive list and is not intended to constitute a list of "good cause" reasons for termination. All employees are considered to be employees at-will in accordance with Section VII, below.

## **VIII. EMPLOYMENT AT WILL POLICY**

Texas is an at-will employment state. Employees of Concote are considered to be employees at will. This means that employment may be terminated by either the employer or employee at will. No employee shall be employed for any specific term and may be terminated, demoted or transferred to another part of the company at any time for any reason, with or without cause and with or without notice, unless the employee has a written employment contract signed by an officer of Concote. Nothing in this Policy Manual is intended to create a contract of employment or to alter the at-will status of an employee's employment. The Policy Manual may be withdrawn or amended at any time in Concote's discretion.

***Employees may not rely on any practice, conduct or verbal representation to the contrary.***

## **IX. EMPLOYEE PAY POLICY**

### **A. Reviews/Raises.**

1. Hourly Employees. Hourly Employees shall be entitled to a review, with a possibility of pay increase, at least once per year. Generally, after being hired, the employee shall be eligible for the next-occurring review period, unless the review period falls within two (2) months of when the employee goes onto the Concote payroll.
2. Salaried Employees. Salaried employees shall be entitled to a review, with a possibility of pay increase, at least once per year, unless the employee and supervisor agree to another arrangement.

### **B. Overtime Pay.** Concote desires to comply with all aspects of the Fair Labor Standards Act (“FSLA”) concerning wage payments. For “non-exempt” employees under FSLA, Concote shall pay time-and-a-half of the employee’s regular pay for each hour worked over and above forty (40) hours per week. For “exempt” employees, Concote generally does not pay overtime, but will use

a standard of reasonableness in determining whether an exempt employee is entitled to overtime pay for work in excess of his or her standard work hours. Overtime hours shall be approved by the employees supervisor.

Generally, whether an employee is “non-exempt” or “exempt” depends upon (1) whether the employee is paid a salary (as opposed to hourly) and (2) whether the employee’s actual job duties and responsibilities fall within one of the FSAL’s recognized exemptions (eg. executive, administrative, professional, outside sales, computer professional, etc.). Some element of the employees right to direct his or her employment is also usually considered.

## **X. TRANSFER POLICY**

Any employee may be asked to transfer to any other job within Concote at any other time. If the transfer involves a relocation for the employee, Concote shall pay for the employee’s reasonable moving expenses only.

## **XI. GROUP INSURANCE POLICY**

Employees should receive information on enrolling in Group Health Insurance and other group benefits prior to eligibility. If not, the employee should contact Concote’s Human Resources Manager for further information. It is the ***employee’s responsibility*** to ensure that he or she is enrolled in any benefits

offered by Concote and makes any necessary changes to his or her enrollment based upon family changes.

Concote's Health Plan includes Short Term Disability Insurance. Payments will be generated with regular payroll checks. Benefits begin 8<sup>th</sup> day after accident or sickness for a maximum of 12 weeks. Payments are 60% of weekly salary for a maximum of \$200 per week.

## **XII. TERMINATION OF EMPLOYMENT POLICY**

Employees hereby agree that they must turn in all property of Concote (eg. keys, files, lists, safety equipment) on the day of their termination.

## **XIII. AMERICANS WITH DISABILITIES ACT (ADA) POLICY**

The Americans With Disabilities Act ("ADA") prohibits discrimination against physically or mentally disabled persons because of their disability in various areas, including employment. The prohibition applies to job application procedures, hiring, advancement, discharge, compensation, training and/or the terms, conditions and privileges of employment. The ADA applies to Concote and, therefore, Concote has adopted this policy to ensure that persons employed by, and seeking employment with, Concote are treated fairly and given opportunities equal to those opportunities afforded to others working or seeking to work for Concote.

The ADA requires that Concote not limit, segregate or classify a job applicant or employee in a way that adversely affects such person's opportunities or status because of a disability; be flexible in the job application process and offer assistance to persons with a disability so that they may participate in such process; hold interviews and tests in accessible locations; provide reasonable accommodation so that an individual with a disability can perform the essential functions of his or her job; and engage in other actions that will facilitate participation by persons with disabilities in the life of Concote. Concote is committed to complying with the requirements of the ADA and encourages all employees to help achieve this objective. If any applicant or employee has any questions concerning this policy or the application of the ADA to such persons, or if you believe that you or someone else has been discriminated against on the basis of disability, or if you have any questions, comments or suggestions related to the ADA, please contact the Human Resources Department.

The ADA does not require that Concote give preferential treatment to individuals with disabilities or lessen its qualification standards. The ADA does not require that we consider reasonable modifications and accommodations in respect to how qualified individuals with disabilities perform the essential functions of their jobs. If any applicant or employee believes that an accommodation is required because of a disability to enable such person to participate in the job application process or perform the essential functions of his or her job, you are encouraged to contact the Human Resources Department, in writing and in person, if you would like to discuss the need for such accommodation and the type of accommodation that may be available.

#### **XIV. EQUAL EMPLOYMENT POLICY**

It is Concote's policy to make all employment-related decisions on the basis of merit, qualification and competence. This policy will be applied without regard to any individual's sex, age, color, race, religion, national origin, disability or veteran status. It will be the responsibility of all employees to abide by and carry out the letter, spirit and intent of Concote's equal employment commitment.

#### **XV. WORKERS' COMPENSATION/INJURY POLICY**

- A. Concote has workers' compensation insurance coverage to protect its employees.
- B. In the event of an injury, each employee is responsible for complying with the following requirements. Failure to strictly adhere to these requirements may be grounds for disciplinary action, up to and including termination:

# Form W-4 (2016)

**Purpose.** Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

**Exemption from withholding.** If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2016 expires February 15, 2017. See Pub. 505, Tax Withholding and Estimated Tax.

**Note:** If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$1,050 and includes more than \$350 of unearned income (for example, interest and dividends).

**Exceptions.** An employee may be able to claim exemption from withholding even if the employee is a dependent, if the employee:

- is age 65 or older,
- is blind, or
- Will claim adjustments to income; tax credits; or itemized deductions, on his or her tax return.

The exceptions do not apply to supplemental wages greater than \$1,000,000.

**Basic instructions.** If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

**Head of household.** Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

**Tax credits.** You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

**Nonwage income.** If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

**Two earners or multiple jobs.** If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

**Nonresident alien.** If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

**Check your withholding.** After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2016. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

**Future developments.** Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at [www.irs.gov/w-4](http://www.irs.gov/w-4).
